

DATA COLLECTION FORM: Parent / Carer

Your child / dependant is taking part in a Higher Education provider (university / college) outreach or recruitment activity. To ensure this and any further activities they take part in are useful, effective and reaching the right young people, we need to gather certain information (including information about your child / dependant's ethnicity and disability) which will be analysed and used by the East Midlands Widening Participation Research and Evaluation Partnership (EMWPREP) and associated partners for research purposes only.

EMWPREP is a collaboration of Midlands-based Higher Education providers that offers a targeting, monitoring and evaluation service for the outreach initiatives delivered by each partner. Detailed information on EMWPREP and how we collect and use the data can be found at: www.emwprep.ac.uk/data-sharing-policy

For research purposes we may share the data held on this form with one or more of the following receiving organisations:

- partner Higher Education providers in the Midlands,
- your child / dependant's school or college,
- your child / dependant's school or college's Local Authority,
- third-party activity providers working with partner Higher Education providers in the Midlands, and
- third-party data processors working with partner Higher Education providers in the Midlands.

EMWPREP and the receiving organisations may then link data from this form to additional educational data about your child / dependant (including Department for Education attainment data held on the National Pupil Database, ILR records, UCAS records and/or HESA student records). We may access this data and use it to monitor the impact of our activities.

Any personal data we collect will only be shared with the partners mentioned above. All research publications will be anonymised so individuals cannot be identified and the data will not be used for any other purpose. Data will be processed in accordance with the relevant data protection legislation. For more information, please see www.ico.org.uk/ or call 01509 223462.

Having read the above we would be really grateful if you could take a few minutes to complete this form in **CAPITALS** and return it to your child / dependant's school / college or Higher Education activity providers.
