

21<sup>st</sup> March 2019

Dear Parent/Carer

**De Montfort University – Year 7 Problem Solving  
Wednesday, 1<sup>st</sup> May 2019**

We have the opportunity to take Year 7 students to De Montfort University. Your child has been selected to attend and will spend a morning developing problem solving skills through fun activities. The students take part in a Problem Solving Workshop giving them a taste of university learning, and a 'Build a Tower' activity to develop their teamwork and problem solving skills.

The visit is on **Wednesday, 1<sup>st</sup> May 2019** at the University Campus. We will leave school promptly at **8.40am** and return at approximately **2.00pm**. Students are required to wear full uniform, bring a packed lunch and sufficient drinks (not fizzy). If your child requires any medication/treatment he/she must have it on the day or may not be allowed on the trip.

Travel will be by school minibus for which we are requesting a contribution of **£3.50** towards the cost, please. The payment is to be made via Parent Mail by **Friday, 29<sup>th</sup> March at the latest**. Places are limited so will be on a 'first come, first served' basis.

The university requires their consent form (with this letter) to be completed in order for the students to attend, plus they would like your permission to photograph/video and/or interview your child/dependent for possible use in their publications, website, social media platforms and other publicity material. Please return the two forms along with the Saint Martin's permission slip below and return to Mrs Lowry in the LRC.

Yours sincerely

C SANDERS  
Head of Year 7
