TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2014

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of Saint Dominic's Catholic Academy Trust (the academy) for the period 1 September 2013 to 31 August 2014. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The principal activity of the company, as set out in the Articles of Association and funding agreement, is specifically restricted to the following: to advance (for the public benefit) education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing Catholic schools designated as such ("the Academies") which shall offer a broad and balanced curriculum and shall be conducted in accordance with the principles, practices and tenets of the Catholic Church and all Catholic Canon Law.

The trust operates an academy in South Leicestershire. The academy is an 11-14 Academy and has a pupil capacity of 348 and had a roll of 294 in the school census in January 2014. In July 2014 the academy was granted an age range extension, with a phased intake of Y10 students in September 2014 and Y11 students being accepted in 2015. We are oversubscribed for our Y7 students for September 2015 and anticipate an increase in numbers for future years due to the popularity and demand for our outstanding academy.

Structure, Governance and Management

Constitution

Saint Dominic's Catholic Academy Trust (the 'Company') is a company limited by guarantee and an exempt charity. The Company is governed by a Board of Directors that is responsible for, and oversees, the management and administration of the Company and the academies run by the Company.

Saint Dominic's was set up as a Multi-Academy Trust, however the two Primary Schools associated with the Saint Martin's Catholic Voluntary Academy have not converted to Academy status and therefore are unable to join the Trust. Therefore, Saint Dominic's Catholic Academy Trust trades as Saint Martin's Catholic Voluntary Academy.

The Charitable Company's memorandum and Articles of Association are the primary governing documents of the Academy Trust.

Members Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

In accordance with normal commercial practice, the Trust has purchased insurance to protect trustees and directors from claims arising from negligent acts, errors or omissions occurring whilst on Academy business.

Method of Recruitment and Appointment or Election of Trustees

The company's Memorandum and Articles of Association are the primary governing documents of the Trust. Members of Saint Dominic's are nominated by the Secretary of State for Education, The Roman Catholic Diocese and The Dominican Order.

The number of Directors shall not be less than three but (unless otherwise determined by ordinary resolution) shall not be subject to any maximum. All Directors shall upon their appointment or election give a written undertaking to the Trustees, the Order and the Diocesan Bishop to uphold the Object of the Academy Trust.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2014

Subject to Articles 48 - 63, the Company shall have the following Directors:

- a. Up to 1 Director save that no more than one third of the total number of individuals appointed as Directors shall be employees of the Academy Trust (including the Executive Principal and the Principals)
- b. A minimum of 4 Foundation Directors: 3 Foundation Directors appointed by the Diocesan Bishop, 1 Foundation Director appointed by the Dominican Order and that the total number of Foundation Directors, shall always be two more than the total number of other Directors (excluding Academy Directors and Foundation Directors)
- c. The chairman of each Local Governing Body shall be an Academy Director for as long as s/he remains in office as such and shall be appointed by the Directors of the Company, but they shall appoint as the chairman of a Local Governing Body someone other than the Executive Principal. If the number of Academies within the Trust exceeds 10, the chairmen of the Local Governing Bodies shall elect 10 persons from amongst their numbers to be the Academy Directors.
- d. There shall be a minimum of 2 Parent Directors for every 10 or fewer Academies within the Trust. The Parent Directors shall be elected by the parent members of the Local Governing Bodies. The elected Parent Directors must be a parent of a registered pupil at one of the Academies at the time when he/she is elected.
- e. Three co-opted Directors may be appointed provided that if any such Directors are appointed the number of Foundation Directors permitted by Articles 46 and 50A shall increase proportionately to ensure that a majority of Directors are Foundation Directors.

Policies and Procedures Adopted for the Induction and Training of Trustees

The induction, training and support programme for Directors of the Trust will differ according to the nature of the post and the varying needs and experience of the individual concerned. There are, however, some general principles outlined below which should be common to all.

- It is expected that the incumbent Directors will provide a practical help, advice, guidance and encouragement in all aspects of Governance and in enabling new Directors to integrate into a new situation.
- Prior to taking up the appointment the new Director will be welcome to visit any Academy within the Trust as necessary to meet key people as appropriate.
- Other Directors will be informed of any new appointments.
- Every Director should be prepared to offer support to new Directors as appropriate. In some circumstances it may be advisable to appoint a short term mentor to provide individual support.

Organisational Structure

The management structure consists of four levels; the members of the Company, the Directors of the Company (also known as Trustees), the Local Governing Body and Senior Leadership Team of St. Martin's Catholic Voluntary Academy. The aim of this structure is to devolve responsibility to those best able to make the appropriate decisions.

The Directors are there to support the Principal and Senior Leadership team in the running of the Academy and have no ambition to run the Academy on a day-to-day basis. Along with this governance role the Directors are there to give support and advice when asked and to be roving ambassadors for the Academy and what it is trying to achieve.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2014

The Executive Committee will specifically monitor, evaluate and review school policy and practice in relation to financial planning and monitoring; to ensure that full accounts are kept; to arrange appropriate insurance cover; to receive the termly report of Internal Audit; to receive termly financial reports/position from the Academies within the Trust to the Executive Committee at least once a term.

The Principal is the Accounting Officer as required by the Funding Agreement with the Department for Education. The responsibilities of the Accounting Officer are defined in Chapter 3 of the Managing Public Money Handbook.

Connected Organisations, including Related Party Relationships

The Academy Trust is an Umbrella Trust which currently consists of one Academy within the Trust. Two Catholic Primary Schools may join the trust in the near future. Saint Dominic's Catholic Academy Trust seeks to advance the education of students of any member academies through partnership and collaboration, and staff from the Academy Trust have been actively involved in a wide variety of meetings and training events during the period under review.

Objectives and Activities

Each Academy is a Catholic school, designated as such, the Directors are also accountable to the Bishop of the Roman Catholic Diocese of Nottingham to ensure that the Academy is conducted as a Catholic school in accordance with the Canon Law and teachings of the Roman Catholic Church so that at all times the Academy may serve as witness to the Catholic faith in Our Lord Jesus Christ.

At the last Ofsted inspection (July 2012) Saint Martin's Catholic Voluntary Academy was designated 'outstanding' and, in September 2012 the Academy gained 'outstanding' in a Section 48 (Diocese) Inspection.

Objects and Aims

The principle aim of the Academy Trust is to provide high quality learning that helps all students to fulfil their intellectual potential and become good and emotionally well-balanced young people.

Further aims are as follows:

- To provide high quality teaching that challenges students and equips them for life by encouraging enquiry, originality, empathy and creativity in a positive atmosphere.
- To provide an environment that enables students to learn and teachers to teach effectively.
- To promote and recognise high standards of achievement in all spheres of activity.
- To help students form successful relationships characterised by understanding others, tolerance, trust and self-respect.
- To broaden horizons and to promote an interest in and respect for the local, national and global communities and their cultures.
- To develop physical emotional health and a sense of the importance of morality and personal responsibility.
- To encourage discernment, good judgement and self-discipline.
- To provide equality of opportunity for all.
- To develop an understanding of our responsibility as global citizens to live in a sustainable way.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2014

Objectives, Strategies and Activities

Key influences on the Academy Trust's Improvement Plan for the period under review were the significant challenges and opportunities arising from national changes in education policy and funding, including the conversion to Academy status and the successful outcome of Saint Martin's 14-16 Age Extension Bid.

The current targets include:

- Preparation and planning for first Y11 cohort September 2015.
- Focus on vulnerable groups achievement.
- Maintain outstanding provision by Ofsted and Section 48 (Diocese).
- Developing the teaching and learning environment of the Academy to meet future needs.
- Research into Key Stage 4 curriculum in all subject areas, participation in learning networks and supporting the work of Lead Practitioners in English.
- Developing relationships beyond the Academy as means of benefiting from the experience of industry, commerce, other schools and the voluntary sector to the education of students.

Public Benefit

The Directors have given consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education.

Saint Dominic's Trust provides an education to children and young people that is:

- Balanced and broadly based.
- Promotes the spiritual, moral, cultural, mental and physical development of students at the school and of society.
- Prepares students at the school for the opportunities, responsibilities and experiences of later life.
- Promotes, sustains and increases individual and collective knowledge and understand of specific areas of study, skills and expertise.

Under Article 4(b) of the Articles of Association the Trust will promote for the benefit of the inhabitants of the areas in which the Academies are located and the surrounding areas who have need by reason of their age, infirmity or disability, financial hardship or social and economic circumstances or for the public at large the provision of facilities for recreation or other leisure time activities in the interests of social welfare and with the object of improving the condition of life of the said individuals.

Strategic Report

Achievements and Performance

Raising Standards and Improving Outcomes

The successful age range extension to 14-16 will raise standards and improve outcomes for young people for the following reasons:

- allow students to continue learning in a Catholic environment where the development of the whole person (including, but not exclusive to, academic achievement) is the primary concern.
- allow students to avoid a transition process that some find educationally disruptive and even detrimental to emotional well-being and therefore attainment outcomes.
- give students and parents the option of a small-school environment to which they may be better suited.
- remove the need for students to build new relationships with adults and peers at the same time as embarking upon studies for their first formal qualifications.
- the most recent available evidence suggests that Leicestershire students who attend through schools outperform those students who move from High Schools to Upper Schools.
- teachers will be in a better position to prepare students at KS3 for the demands of KS4 by virtue of teaching both.
- students would be continuing at an outstanding school that is consistently at or near the top of the county's performance league table for KS3, and which would be targeting a similar position for KS4 (NB Leicestershire is the lead county in England for outcomes in KS3).
- the results of a GCSE Maths module taken at Saint Martin's by the Y9 of 2010/11 were the best among the Hinckley High Schools, and indicative of a school that knows how to get the best out of its students.
- the curriculum that most students would follow would be one that focuses on the subjects most highly valued by the government, employers and the Russell Group universities, making it realistic for students of all backgrounds to be aspirational.
- less academic students would receive thorough support in order to ensure that they leave school having achieved their potential in employer-valued qualifications, able to continue successfully into the next stage of their educational pathway.
- students would be provided with opportunities that changing schools at the age of 14 makes impractical.

Key Performance Indicators

Data gathered across the county shows students at St Martin's performed consistently above the county average. The English and Maths average point score (APS) was 42.2, which was 2.9 pts above the county average of 39.3. Most subgroups (boys, girls, SEND, ethnic minority students etc.), achieved an APS at least 5% or 10% greater than the APS for that subgroup county-wide, with the figures for our most economically vulnerable students particularly encouraging. It is also worth noting that 40% of our students come from deciles 6-10 on the IDACI (Income Deprivation Affecting Children) scale compared to 30% across the county – in other words, our students tend to come from more economically deprived homes relative to other students in the county.

Learning Environment

- Saint Martin's learning environment is comfortably able and ready to meet the capacity required for this age range extension.
- Extension planning is creative and proactive to ensure the learning environment will enhance the whole school, to drive further improvements and opportunities for continued outstanding student learning.

Going Concern

After making appropriate enquiries, the Directors have a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2014

Financial Review

Directors have made it a priority to ensure that high standards are maintained within the framework of a budget that is sustainable, and have been rigorous in evaluating any proposals for additional expenditure. Key principles specifically identified in terms of financial planning during the year include:

- Retaining a sharp focus on teaching and learning
- Planning for the long term
- Investing for quality and efficiency
- Ensuring a proactive involvement in national consultations regarding school funding
- Developing a creative response to funding challenges

The Directors of Saint Dominic's have delegated the income to be paid direct to the Academy's within the Trust.

Saint Dominic's income is obtained from the EFA in the form of grants, the use of which is restricted to particular purposes. The grants received from the EFA during the year ended 31st August 2014 and the associated expenditure are shown as restricted funds in the statement of financial activities.

The Company also has fixed assets on lease from the Dominican Order. In accordance with the Charities Statement of Recommended Practice, 'Accounting and Reporting by Charities' (SORP 2005), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charged over 125 years.

During the year ended 31 August 2014, total resources expended of £1,948,422 were covered by grant funding from the EFA together with other incoming resources. The excess of expenditure over income, before the pension deficit, for the year (excluding restricted fixed asset funds) was £30,571.

At 31 August 2014 the net book value of fixed assets was £2,889,626 and movements in tangible fixed assets are shown in note 14 to the accounts. The assets were used exclusively for providing education and the associated support services to the students of the Academies within the Trust.

In addition the Academy was successful in the Academies Capital Maintenance Bid for the following projects:

6 Classroom Extension	£815,229
Security Fencing	£172,542

Funds have also been received from students/parents to pay for a wide range of educational visits and activities, and these have been applied to the associated costs.

Key financial policies adopted or reviewed during the year include the Finance Management Handbook which establishes the framework for financial management, including the key responsibilities of the Directors, the Local Governing Body and key officers of the Academy, as well as delegated authority for spending decisions.

Governors have appointed the Local Authority as their internal Auditors.

Principal Risk and Uncertainties

The Directors/Trustees, governors and senior leadership completed a Risk Management Audit, which involved identifying the types of risk the Academy faces and the systems in place or that needed to be implemented to mitigate against the risks the Academy now faces.

The Academy now considers systems are in place to mitigate any of the risks identified.

FOR THE YEAR ENDED 31 AUGUST 2014

The Risk Management Register identified and reviewed the following risks:

- Strategic and Reputational
- Physical
- Infrastructure
- Governance
- Staffing
- Students
- Financial

Reserves Policy

The Academy currently has £21,232 of unrestricted reserves. The Trustees have decided that all unrestricted reserves will be utilised in helping the Academy achieve its objectives.

The actuarial valuation resulting in the pension deficit and the corresponding liability does not result in an immediate cash flow impact to the Academy. The Trustees are confident that any liabilities can be met as they fall due.

The current level of reserves is considered to be appropriate for the Academy. The reserves policy is reviewed annually.

Investment Policy

The Academy's investments policy is consistent with its Charitable Status. Investments must always be made in accordance with written procedures adopted by the Governing Body and must always ensure that the maximum integrity of such investments.

Plans for Future Periods

The Academy will strive to improve the levels of performance of its students at all levels and make efforts to ensure its students obtain jobs or a place in higher education once they leave. The Academy will also increase its recruitment up to the new agreed levels.

Auditor

In so far as the trustees are aware:

- There is no relevant audit information of which the charitable company's auditor is unaware; and
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As Trustees, we acknowledge we have overall responsibility for ensuring that Saint Dominic's Catholic Academy Trust has an effective and appropriate system of control, financial and otherwise. The board of trustees has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Saint Dominic's Catholic Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE STATEMENT (continued)

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Saint Dominic's Catholic Academy Trust for the year 1 September 2013 to 31 August 2014 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The board of trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks, that has been in place for the year 1 September 2013 to 31 August 2014 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

THE RISK AND CONTROL FRAMEWORK

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Finance Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided to appoint Leicestershire County Council as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. On an annual basis, the internal auditor reports to the board of trustees on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

The Directors/Trustees and governors confirm that the Internal Auditors function has been fully delivered in line with the EFA's requirements.

GOVERNANCE STATEMENT (continued)

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

They are also responsible for ensuring grants received from EFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT TO THE BOARD OF TRUSTEES OF SAINT DOMINIC'S CATHOLIC ACADEMY TRUST

We have audited the financial statements of Saint Dominic's Catholic Academy Trust for the year ended 31 August 2014 which comprise the Statement of financial activities, the Balance sheet, the Cash flow statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Academies Accounts Direction 2013 to 2014 issued by the Education Funding Agency.

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITORS

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the academy's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2014 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Academies Accounts Direction 2013 to 2014 issued by the Education Funding Agency.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic report.

**INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO SAINT
DOMINIC'S CATHOLIC ACADEMY TRUST AND THE EDUCATION FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 21 July 2014 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2013 to 2014, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Saint Dominic's Catholic Academy Trust during the year 1 September 2013 to 31 August 2014 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Saint Dominic's Catholic Academy Trust and EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Saint Dominic's Catholic Academy Trust and EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Saint Dominic's Catholic Academy Trust and EFA, for our work, for this report, or for the conclusion we have formed.

**RESPECTIVE RESPONSIBILITIES OF SAINT DOMINIC'S CATHOLIC ACADEMY TRUST'S ACCOUNTING
OFFICER AND THE REPORTING ACCOUNTANT**

The accounting officer is responsible, under the requirements of Saint Dominic's Catholic Academy Trust's funding agreement with the Secretary of State for Education dated 29 June 2012, and the Academies Financial Handbook extant from 1 September 2013, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2013 to 2014. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2013 to 31 August 2014 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2013 to 2014 issued by EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

**INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO SAINT
DOMINIC'S CATHOLIC ACADEMY TRUST AND THE EDUCATION FUNDING AGENCY (continued)**

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2013 to 31 August 2014 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2014

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), 'Accounting and Reporting by Charities' published in March 2005, the Academies Accounts Direction 2013 to 2014 issued by EFA, applicable accounting standards and the Companies Act 2006.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

1.3 Company status

The academy is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the academy being wound up, the liability in respect of the guarantee is limited to £10 per member of the academy.

1.4 Incoming resources

All incoming resources are included in the Statement of financial activities when the academy has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund.

Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

SAINT DOMINIC'S CATHOLIC ACADEMY TRUST
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2014

1. ACCOUNTING POLICIES (continued)

1.5 Resources expended

Expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities are costs incurred in the academy's educational operations.

Governance costs include the costs attributable to the academy's compliance with constitutional and statutory requirements, including audit, strategic management and Trustees' meetings and reimbursed expenses.

All resources expended are inclusive of irrecoverable VAT.

1.6 Tangible fixed assets and depreciation

All assets costing more than £2,500 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of financial activities and are carried forward in the Balance sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of financial activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy's depreciation policy.

On 1 July 2012, the leasehold title of the School site was transferred to the Academy. The site has been leased to the Trust for a period of 125 years at a peppercorn rent. The fair value of the site was calculated on a depreciated replacement cost basis and treated as an addition to fixed assets with a corresponding credit reflected in the Statement of Financial Activities.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Long Term Leasehold Property	-	1% on cost
Computer equipment	-	25% on cost
Improvements to Leasehold Property	-	4% on cost (boilers - 15% on cost)

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2014

1. ACCOUNTING POLICIES (continued)

1.7 Operating leases

Rentals under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

1.8 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.9 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Department for Education.

1.10 Pensions

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in note 23, the TPS is a multi-employer scheme and the academy is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on the settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the Statement of financial activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

At 31 August 2014 the academy had capital commitments as follows:

	2014	2013
	£	£
Contracted for but not provided in these financial statements	972,897	183,203

The commitment relates to the construction of an extension to the leasehold property as well as improvements to site security, which is offset in full against the capital grants awarded in the year. At the balance sheet date, of the £987,771 awarded, £296,303 has been received.

23. PENSION COMMITMENTS

The academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Leicestershire County Council. Both are defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2004 and of the LGPS 31 March 2013.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The Teachers' Pensions Regulations require an annual account to be kept of receipts and expenditure (including the cost of pensions' increases). From 1 April 2001, the account has been credited with a real rate of return, which is equivalent to assuming that the balance in the account is invested in notional investments that produce that real rate of return.

Valuation of the Teachers' Pension Scheme

At the last valuation, the contribution rate to be paid into the TPS was assessed in two parts. First, a standard contribution rate (SCR) was determined. This is the contribution, expressed as a percentage of the salaries of teachers and lecturers in service or entering service during the period over which the contribution rate applies, which if it were paid over the entire active service of these teachers and lecturers would broadly defray the cost of benefits payable in respect of that service. Secondly, a supplementary contribution is payable if, as a result of the actuarial review, it is found that accumulated liabilities of the account for benefits to past and present teachers, are not fully covered by standard contributions to be

23. PENSION COMMITMENTS (continued)

paid in future and by the notional fund built up from past contributions. The total contribution rate payable is the sum of the SCR and the supplementary contribution rate.

The last valuation of the TPS related to the period 1 April 2001 to 31 March 2004. The Government Actuary's report of October 2006 revealed that the total liabilities of the Scheme (pensions in payment and the estimated cost of future benefits) amounted to £166,500 million. The value of the assets (estimated future contributions together with the proceeds from the notional investments held at that valuation date) was £163,240 million. The assumed real rate of return was 3.5% in excess of prices and 2% in excess of earnings. The rate of real earnings growth was assumed to be 1.5%. The assumed gross rate of return was 6.5%. From 1 January 2007, the SCR was assessed at 19.75%, and the supplementary contribution rate was assessed to be 0.75% (to balance assets and liabilities as required by the regulations within 15 years). This resulted in a total contribution rate of 20.5%, which translated into an employee contribution rate of 6.4% and employer contribution rate of 14.1% payable.

The Public Service Pensions Bill provides for future scheme valuations to be conducted in accordance with Treasury directions. The actuarial valuation report in summer 2014 takes effect from September 2015.

Teachers' Pension Scheme Changes

Lord Hutton made recommendations in 2011 about how pensions can be made sustainable and affordable, whilst remaining fair to the workforce and the taxpayer. The Government accepted Lord Hutton's recommendations as the basis for consultation with trade unions and other representative bodies. In March 2012 the Department for Education published proposals for the design for a reformed TPS.

The key provisions of the reformed scheme include: a pension based on career average earnings; an accrual rate of 1/57th; and a Normal Pension Age equal to State Pension Age, but with options to enable members to retire earlier or later than their Normal Pension Age. Pension benefits built up before 1 April 2015 will be fully protected.

In addition, the proposed final agreement includes a Government commitment that those within 10 years of Normal Pension Age on 1 April 2012 will see no change to the age at which they can retire, and no decrease in the amount of pension they receive when they retire. There will also be further transitional protection, tapered over a three and a half year period, for people who would fall up to three and a half years outside of the 10 year protection.

In his interim report of October 2010, Lord Hutton recommended that short-term savings were also required, and that the only realistic way of achieving these was to increase member contributions. At the Spending Review 2010 the Government announced an average increase of 3.2 percentage points on the contribution rates by 2014-15. The increases have been phased in from April 2012 on a 40:80:100% basis.

The Department for Education has continued to work closely with trade unions and other representatives bodies to develop the reformatted Teachers' Pension Scheme and regulations giving effect to it came into force on 1 April 2014. Communications are being rolled out and the reformatted scheme will commence on 1 April 2015.

Under the definitions set out in Financial Reporting Standard (FRS 17) Retirement Benefits, the TPS is a multi-employer pension scheme. The academy is unable to identify its share of the underlying assets and liabilities of the scheme. Accordingly, the academy has taken advantage of the exemption in FRS 17 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The

academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2014 was £76,000, of which employer's contributions totalled £58,000 and employees' contributions totalled £18,000. The agreed contribution rates for future years are 19.5% for employers and 7.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding local government pension scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
