

St Martin's Catholic Academy KS4 Online access

All students have been a school email e.g. joebloggs@saint-martins.net

Students also have access to SharePoint which can also be accessed on the school website

Please check emails regularly to ensure that work is not missed, below is a list of all subject areas and how work will be set.

All work completed must be sent to their teacher to show work has been completed.

Art - Yr9, 10 and 11 have resources on SharePoint and in their own A3 folders, but are to email Miss Bray for specific instructions and feedback. 'How to' video tutorials will also be posted for their use. All KS4 work is to be brought into school on their return. We will also be delivering live lessons/demonstrations, for which invitations/invitations will be sent via email.

Business

Instructions for all lessons and any accompanying resources will be uploaded to the Business pages of SharePoint **AND** will be emailed out to students in advance. Lessons will be in the following format(s):

- Live lessons on MS Teams – these will be scheduled at least one day before the lesson.
- Pre-recorded lessons can be downloaded from Microsoft Stream (Students will need to be logged in to their Office 365 account in order to access these).
- Knowledge quizzes to be completed on Microsoft Forms. The link will be emailed to students and uploaded to SharePoint.
- Peer-marking will be completed using the Class Notebook feature within MS Teams.

Computing - As a reminder you login to Office 365 (www.office.com).

Go to SharePoint and click on Computer Science.

Click on the Click Here link (on the right-hand side) and then the appropriate yellow folder e.g. Year 10.

In there you will find Instructions in the form of a word document listing what needs to be done and by when e.g. INSTRUCTIONS - YEAR 10 Autumn 2020 onwards.

Construction – Mr Del Busso will email students tasks to complete, as well as invitations to live lessons.

Dance - Students can find week by week/lesson by lesson break down on SharePoint with instructions on where to find the documents etc. Everything they need is on SharePoint. Mis North will email students to check they know where to find things.

Divinity – Staff will email students absent from their class their work. Staff are recording lessons where appropriate to then send to students via email with additional resources such as PowerPoints or further media links.

From 11th January 2021 Divinity teachers will email students in Year 10 details of their live lessons.

For Core Divinity Year 11 Mrs Mulcrow will email the work for the Year group. Please look out for these emails.

English – The English dept will have a combination of live and recorded lessons for all classes. Teachers will send links to the recorded lessons (and any additional resources that may be needed to complete work) via students' school email **and** will add all recordings and resources to student English Teams groups.

Food - Yr9 Mrs Boulton will email with tasks and invitations to live lessons.

Food - Yr10 and 11 Mrs Boulton will email with tasks and invitations to live lessons.

Geography & History - All work for History and Geography will be set via SharePoint. SharePoint can be accessed at the bottom of the school website, via the 'Online learning platform' link. Logging on may require the student to use their school email address. Additionally, individual emails may be sent to clarify points or to invite, particularly GCSE students, to Teams meetings to consolidate work set throughout the week.

GCSE Geography (Y9-11) - There is a Word document that outlines what work students in each year group should do for each lesson in each week. Students should go to the appropriate Unit folder to access lesson PowerPoints, booklets and recorded lessons.'

GCSE History (Y9-11) - There is a Word document that outlines what work students in each year group should do for each lesson in each week. Students should go to the appropriate Year group folder to access lesson PowerPoints, booklets and recorded lessons.

Health & Social

Each week's work is on SharePoint in the relevant year group folder. Tasks for the current week will be shown in a PowerPoint or word document with clear deadlines. Students may need to refer to the current unit of work folder for additional resources containing workbooks, KO's, assignments etc.

Students should also look for emails which clarify points or give notice of any Teams meetings planned to consolidate work and check on student progress.

Maths – Your Math's teacher will either:

- Set work on the class SharePoint page on the Online Learning area and Dr Frost site and/or
- Email work, notes or a link to lessons to the student.

PE - Work is on the online platform as a weekly breakdown. The lesson will also be live via Microsoft Teams whilst they have their timetabled lesson (This is only for GCSE theory lessons).

Science – You should access your class page using the links at the bottom of this page (set up by year group). There will be a table of information showing which lesson are being taught this week. You should:

- work your way through your knowledge book by completing the starter questions,
- read the content and make any notes using other websites (if needed)
- Some lessons have links to videos, you should watch these to support the lesson
- answer ALL of the lesson questions
- Make a Lesson summary (a brief outline of the main points)
- Complete the online weekly quiz - the link for the quiz is on your class page.

If you do not have a physical copy of the book, the please contact the school reception and we will aim to get one to you.

Spanish/French – All work is set on SharePoint and/or on Teams for all year groups. The work set can be found in the Link for Spanish or French and then by class e.g. 7V along with the teachers initials to avoid confusion. Students will not be emailed work as it is all on the Online platform. Homework is set on SENECA (all students have a SENECA login).

Music – Work can be found on SharePoint which is divided into separate years. All resources have been uploaded including the booklet and PowerPoint. There will also be either a video of the lesson or video tutorials.

Travel and tourism

Work is on SharePoint

Mrs Glennon will email advice and documents as needed Return completed work when requested to tt@saint-martins.net

Live lessons on Teams – look out for invites to meetings
