Notes

* The Department for Education has not produced Progress 8 figures for 2020 and 2021

* Progress 8 figures for 2022 are provisional.

The Divinity GCSE grade for Saint Martin's is not included in our Progress 8 figure for 2022 because our students sat it in Year 10 in 2021. This was part of the TAG process and these grades are not allowed to count towards official progress measures. Had they been allowed to count we estimate that our Attainment 8 would be 5.9 and our progress 8 approximately 0.63. This would be likely to place Saint Martin's in the top 10% of schools in England.

Destinations

| Activity | Saint Martin's | Leicestershire |
|--------------------------|----------------|----------------|
| Full-time education | 95.7% | 93.1% |
| Full-time employment | 4.3% | 4.5% |
| Not settled - Active | - | 0.4% |
| Not Settled - Not Active | - | 0.1% |
| Others / Unknown | - | 1.9% |
