

The Rosary through CST

The Rosary is like a bridge, uniting Heaven and Earth together and each of us is represented by a bead. Each one of the beads are incredibly important in order to complete the Rosary so that each one of us is important within God's creation. We all stand in solidarity as one family, to work together and hold up the bridge to keep Heaven and earth and God's creation united.

Lilly Year 8

The Rosary through CST

The Rosary is like the heart, it expresses love and believes in the dignity of the human person. The Rosary does not see race, background, it only see someone of Imago Dei who is worthy of respect and love. The Rosary prayers help heal the world to bring peace and believes that the world we live in should be harmonious and benign.

Pennie Year 9

The Rosary through CST

The Rosary is not just a set of beads of Prayer it is a gateway to becoming closer to God. We sow the seeds of hope and love in a world of darkness and conflict. We do this by praying the Mysteries of the Rosary and meditate on them and so stand in solidarity with those who suffer. The Rosary opens our hearts to compassion.

Sadie Year 8

The Rosary through CST

The Rosary represents a rose offered to those who suffer. This reminds us about the dignity of the human person to pray for those who have no voice. Mary as our spiritual mother takes our prayers to God on our behalf.

Libby Yr 9

The Rosary through CST

The Rosary teaches us about sowing seeds of hope through the prayers and meditating on the Mysteries. We are blessed with something and someone to turn to when the tides of life grow tumultuous (linking to the logo of the Jubilee Year) but the Rosary is a sanctuary that is always accessible and prepared to anchor us. This links with the CST principles of Common Good and Human Dignity.

Anabel Year 8

The Rosary through CST

The Rosary is our anchor and stabilizer which can be linked with the Pilgrims of Hope logo. It keeps us going in dark times praying the sorrowful mysteries but through the Rosary we pray for a Common Good, Justice and Solidarity for all those we will and will never meet.
