Thank you to our families who lit candles at home, in their parishes and places of worship for Refugees and Migrants for Sunday 30<sup>th</sup> September. The theme this year was ‘God walks with his people.’ We are reminded of the words from St Francis of Assisi, “All the darkness in the world cannot extinguish the light of a single candle.”

"Dear friends,  
In your time of need, we pray for you and for a brighter future where you are safe and happy. God is always watching over you and he has a plan for your future where everyone lives in harmony. You are made in his image and love with your own amazing person and human dignity. Always have hope in this and hope in God because God is hope and God believes in you. We stand in solidarity as you fight and we always will because we are pilgrims of hope and we embrace each other to support and subside with you. Stay safe and never lose hope." H Yr 8
