

Our Advent Prayers 2024 as Pilgrims of Hope

ORDINARY PEOPLE.

CALLED TO BE

Saints

Lord,

As we are called to be Pilgrims of Hope in the Year ahead, we look after those who need joy and hope in their lives to get through tough times. I pray for those people to find you in their darkness and look for your light. I will help to be an anchor in people's lives, I will help to guide them to see you and find your eternal love. With your love and guidance, it will help people find their way and recover from the darkness. This Advent I must help those less fortunate than me, for those persecuted for their faith and I will love my neighbour, because everyone deserves love as we don't know what people are going through each day. We are all made in your image, and we should work together to find equality in all and breakdown the barriers of injustice and separation in society.

Amen.

Our Advent Prayers 2024 as Pilgrims of Hope

During this time of Advent, help us to have courage to preserve the joy of waiting for Christmas Day. Help us to stand in solidarity for those who are unable to find happiness or for those who are struggling financially, mentally or physically. May they find refuge under your wings and find a sense of comfort with your presence.

Please bless those in abundance for your coming in anticipation, excitement and in joy. Protect all families that endure hardship throughout this Advent time.

Lord,

This Advent in the Year of Prayer, we pray that all migrants and refugees will keep safe and have peace this Christmas and may we stand in solidarity for those suffering. In the Jubilee Year four figures embrace and hold on to the anchor; may we be their anchor so that they do not drift from you and may people of all cultures, faiths and ethnicities stand together and in peace this holy season. Help us to "Love the Stranger" for the Common Good, and keep them safe, filled with fortitude and peace.

Lord,

I pray that during this joyful time of waiting that nobody is alone, hungry or out in the cold. As Pilgrims of Hope we are called to live out preferential love for the poor and stand in solidarity with those that suffer. We remember that Jesus was born homeless and became a refugee after his birth. We are called to live out 'Love the Stranger' and to pray for all men, women and children who are refugees.
