## Holocaust Memorial Day 2025: For a better future

Lord,

Help us to remove prejudiced boundaries and restore our faith and dignity in humankind. Help us to spread awareness of past mistakes and to learn from them. Help those with dark thoughts and discriminatory beliefs, but most of all help those wounded by endless traumas and give them a light so that they may feel as if hope is real for a better and brighter future.

As Pilgrims of Hope, we are called to stand in solidarity to help those affected by genocide. We must never replace people's dignity. We are all Imago Dei. We are all gifts from God; we are all equal.

Lord,

Today marks the 80<sup>th</sup> Anniversary of the liberation of Auschwitz- Birkenau, the largest Nazi Concentration camp. We come together to reflect on all those who lost their lives. We can and must speak out about the Holocaust by taking action for a better future to ensure that this never happens again. As Pilgrims of Hope, we are called to do this.

Amen.

## Holocaust Memorial Day 2025: For a better future

Lord,  
As a society we must all collectively remember the atrocities of the Holocaust no matter what. We cannot forget all those who lost their lives for the sake of discrimination and prejudice. We cannot forget any genocide that have or will occur. We have to work together to stop any current genocides. We need peace, dignity and kindness not hatred and genocide in our world. Amen.

Lord,  
On this day we pray for all those who died in the Holocaust. The theme this year is for a better future and we are called to be anchors in peoples lives to lift them out of the storms they may face but to ensure that all people are treated with dignity and respect as we pray for peace in the Middle East.

# Holocaust Memorial Day 2025: For a better future

Lord,  
I pray for the 6 million Jews who were murdered during the Holocaust and for all people who have been murdered through genocide across our earth. I pray that we all have the strength to challenge any prejudice and that we are there to help all people with the dignity that they deserve. I pray for a world where there is no more genocide.
