Prayer & Liturgy Policy

Our Mission

Our school was founded by the Dominican Sisters of St. Catharine of Siena of King William's Town, South Africa in 1948. Our mission statement predicated on our Dominican values and Christian ethos:

***Knowing that we are loved by God,
'Learning the best that has been thought and said'
and Living a life of Virtue.***

'Knowing that we are loved by God'

Every pupil will know that we are created in God's image and understand that despite us being sinners, His love for us is unconditional. Our pupils will understand that, 'God loves us because He Himself is love' (Pope Francis). They will learn that the nature of love is that it gives itself. God's love is seen in the way we treat one another: the members of the school and wider community. Love is the root of our high expectations for all pupils and of our uncompromising insistence that they adhere to the routines and rules that make St. Martin's a safe and nurturing environment. This love is strengthened through prayer and grounded in service.

'Learning the best that has been thought and said'

The words "contemplare et contemplata aliis tradere" - "To contemplate and to hand on the fruits of contemplation to others", lie at the heart of the Dominican mission. Equally important is Veritas, for God is the source of truth and we must guide our pupils to live by the spirit of truth He sent. The fruits of contemplation and study that we hand to our pupils must be nourishing. It is their entitlement to learn 'the best which has been thought and said in the world' (Arnold). To teach the most significant ideas, discoveries and developments of our civilisation and to engender in our pupils an understanding of our rich philosophical, literary, artistic, spiritual and scientific heritage, is to channel 'a stream of fresh and free thought' (Arnold) into our world.

'Living a life of Virtue'

It is our responsibility to become better human beings, not only by becoming more knowledgeable and exercising intellectual virtue, but through practising the moral virtues that will help us to grow and flourish. Whilst teaching cultivates intellectual virtue, moral virtue is educed as a result of habit. We will model moral virtue in our school community, place it at the centre of everything we say and do, and guide our students along the same path. The statement, 'We are what we repeatedly do. Excellence then is a habit', paraphrases Aristotle's words that we will exemplify: 'As it is not one swallow or a fine day that makes a spring, so it is not one day or a short time that makes a man blessed and happy.'

School Motto Taken from our Dominican heritage. 'Teach me thy way, O Lord, that I may walk in thy truth' (Ps 86:11)

Veritas - Truth.

School Prayer Original Prayer by Lancelot Andrewes, (1555-1626). Annotated and adapted for the Saint Martin's community.

Lord Jesus, I give you my hands to **DO** your work.

I give you my eyes to **SEE** as you do.

I give you my tongue to **SPEAK** your words.

I give you my mind that you may **THINK** in me.

Above all, I give you my heart that you may **LOVE** in me.

Lord Jesus, may you **LIVE, WORK, and ACT** through me. Amen.

Rationale & Methodology

A Catholic education “facilitates truth and freedom above all when it places the Eternal Word of God, Jesus Christ, at its centre,” +Marcus Stock, Bishop of Leeds

Saint Martin's is more than just a school. We are a very special community; which has Christ at its centre. As a Catholic school our core values are rooted in the Virtues revealed to us by our Dominican heritage and shown to us in example of Jesus Christ. The work entrusted to us is to help each person to recognise their dignity as a child of God and to reach their full potential. Our school motto is the Dominican motto; Veritas - Truth. Our purpose is to ensure that each of our young people can learn the Truth and so then share it with the world. Truth found in a knowledge rich curriculum, in Liturgical practice, and in the truth that we are made in the image and likeness of God. By living this truth, they can live happy, successful and fulfilled lives both now and in the future.

'Every Catholic educational institution is a place to encounter the living God who in Jesus Christ reveals his transforming love and truth.' - Pope Francis.

Part of our mission as a Catholic community in the Nottingham Diocese is to use the Bishops themes of Encounter, Discipleship & Missionary Discipleship. Put simply; To meet Jesus, to Know Jesus, and to Share Jesus. As a school, our mission must always begin with ensuring that students encounter Jesus, the living God. They encounter God in many ways in our school but one important way is through the opportunities we provide for prayer and liturgy. Each student is on their own faith journey and we journey beside them. We aim to meet students where they are and encourage them to ask questions about their own purpose and faith. We recognise each student as made in the image of God, all with different starting points, gifts and qualities. The opportunities we provide allow students to experience a wide variety of prayer experiences which are age appropriate, well planned, engaging and relevant. As well as deepening their own faith students explore the beliefs of others and gain a deeper connection with the school and global community, they are a part of. As a part of our prayer and liturgy program students are challenged to put their faith into action and apply what they experience to the world around them. Students are tasked with living out Catholic Social Teaching, making a contribution to society and a difference to the lives of their neighbours.

As a school we give priority to prayer and liturgy when setting budgets, allocating resources, appropriate and dedicated spaces and time for staff and pupils to prepare, reflect and participate in the Prayer and Liturgy of the school. In this way do we better ensure the **Full, Active & Conscience Participation** of every member of the school community.

Legal Requirements

The legal requirements for collective worship are laid down in the 1988 Education Reform Act and in the Collective Worship Circular 1/94 (1993 - 1994), which was essentially an attempt to explain and enhance the 1988 Act. It states that collective worship:

'Should aim to provide the opportunity for pupils to worship God, to consider spiritual and moral issues and to explore their own beliefs; to encourage participation and response, through listening to and joining in the worship offered; and to develop community spirit, promote a common ethos and shared values, and reinforce positive attitudes'.

It also states these acts of worship must be **“wholly or mainly of a broadly Christian Character”** for the majority of the time. They must also be **“appropriate, having regard to the ages, aptitudes and family backgrounds of the pupils”**.

Aims *A Catholic education "facilitates truth and freedom above all when it places the Eternal Word of God, Jesus Christ, at its centre," +Marcus Stock, Bishop of Leeds*

Collective Worship at Saint Martin's offers opportunities to:

- ★ **Offer praise and worship to God**
- ★ **Support students and staff on their personal spiritual and religious journey**
- ★ **Consider and celebrate the values of the gospel** □
- ★ **Offer opportunities for reflection, meditation and prayer** □
- ★ **To develop an awareness of the presence of God in others and in ourselves**
- ★ **Foster an awareness of and a compassion for the needs of the world community** □
- ★ **Foster a sense of joy, awe and wonder in God's creation** □
- ★ **Affirm and develop the individual** □
- ★ **Develop a sense of discovery and to encourage a deeper personal reflection** □
- ★ **Explore social, moral and spiritual values in a cultural context** □

We acknowledge the legal requirement that there must be a daily act of worship for all pupils. The law requires the act of worship be 'wholly or mainly of a broadly Christian character' and under recent Government instruction (Nov, 2014), We aim to include opportunities in Collective Worship for students to explore and learn about British Values and other faiths.

The act of worship is not designated curriculum time and will not be subsumed under any part of the curriculum, including religious education. In Saint Martins, as with any Voluntary Academy School, responsibility for arranging Collective Worship rests with the Headteacher in consultation with the governing body, Senior leadership team & the Hub Lay Chaplain.

We endorse the belief that Collective Worship takes into account the religious and educational needs of all who share in it, including but not limited to:

- ★ **Those who form part of the worshipping community in church.**
- ★ **Those for whom school may be their first and only experience of church.**
- ★ **Those from other Christian traditions, or none.**
- ★ **Those from other faith backgrounds.**

We will continue to foster and deepen the children's personal relationship with God our Father daily in prayer. We do this by helping them become aware of God's Presence in their lives and of His love for them by leading them to respond to Him in a manner suited to their age.

The Liturgical Life of the school is our best way to put our Catholic Ethos into action. It is a time when all our benefactors are challenged to take time out deliberately & purposefully. For the betterment of ourselves, our students and the world.

In this policy, we will outline the ways that we at Saint Martins, use the prayers & liturgies of the Church, the prayers of our benefactors and the creativity of our staff and students to come before God and worship.

Form time prayer & liturgy

Our form time prayer is held at the start and end of each day. Our form tutors lead our form time prayer with the aid of provided prayer slides. Each week of slides runs to the Diocesan themes of the week which are linked to the Sunday readings and liturgical year. Each day of slides offers different prayers and focuses to improve the students liturgical literacy and offer a variety of different traditions and elements from the church. These include; Seasonal Prayers, Marian devotions, highlighting saints & feast days, as well as a mission for the week connected to our weekly theme or Virtue. The Slides are planned and shared by the Hub Chaplains with the help of the Acutis Chaplaincy Team. The prayer theme of the week is shared throughout the school via Standing Assembly, the student information screens located throughout the building and in Celebrations of the Word and Assemblies.

Form tutors have the responsibility to ensure that Prayer is done correctly and reverently and that a prayerful atmosphere is created. Form tutors may lead the prayers or may select students to lead.

Celebration of the Word

On Week A, each year group has a twenty-minute Celebration of the Word in the Hall from Tuesday to Friday, with Y7 & 8 Sharing their slot for CoW. Each of these Celebrations of the Word is led by a team of students who plan with the Hub Chaplains and then are supported on the day by a member of SLT on rotation. Each Celebration follows the liturgical calendar and Diocesan themes. No notices or year group business is done during these times. Students enter/leave the Drama Theatre in silence and begin/end by making the sign of the cross.

Rooted Sessions

"Rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving" Col 2:7 ESV. At Saint Martins, we believe it is important to not only allow our young people to shape collective worship, but to also be shaped by the rich tradition of our Church. To take time to root ourselves with God, and be built up by the tradition passed down and taught over 2000 years. These sessions take place every week on either a Wednesday (Y7,8,10) or a Friday (Y9) in the chapel.

The purpose of these sessions is 3 fold:

- ★ **To allow opportunity for students to come to the chapel**
- ★ **To allow students opportunity to interact with traditional prayers of the Church**
- ★ **To improve the liturgical literacy and experience for our young people**

The purpose of Rooted Sessions is to bring some of those extraordinary celebrations and prayers of the Church into the Saint Martins Experience. These traditional forms of prayer are selected and timetabled to compliment the liturgical calendar and the weekly themes.

Prayers used in Tabernacle Sessions:

- ★ **Exposition of the Blessed Sacrament (Adoration)**
- ★ **Stations of the Cross**
- ★ **The Holy Rosary**
- ★ **Lectio Divina**
- ★ **Divine Office**

Resources

All staff are given the prayer slides at the beginning of the week. Staff are encouraged to create and share their own resources too. This means that staff can utilise their own gifts and ensure that the acts of worship are appropriate to their own form group. Formal Catholic prayers and traditions e.g. Lord's prayer, May the month of Mary, November the month of remembrance, etc. are embedded within the weekly resources and prayer slides. Prayer resources use a wide variety experiences like meditation, reflection, Lectio Divina, and opportunities for students to write their own thoughts and prayers.
