	P3/P4	11:30	Combined Science: Physics H/F	1hr15
			Food Studies	1hr30

IMPORTANT INFORMATION

Students will receive their individual exam timetables via their school email at least 1 week before. This will state their room and seat allocation.

Morning exams are scheduled for 9:00am. Students to be registered in AM form and then promptly dismissed.

For exams scheduled after break or lunch, students are to line up for their exam promptly.

Students are to line up on the tennis courts before each exam session, in their allocated rows, unless allocated a smaller room. If allocated a smaller room students are to line up outside the allocated room.

Students are expected to bring the correct equipment for each exam in a clear pencil case free from logos, labels or writing.

Water is allowed in the exam room. This must be in a transparent bottle free from labels, logos or writing (this includes unit measures and times of the day). No other food or drink is allowed in the exam room.

Bags and coats to be left in your lockers.

For mocks only: if a student is likely to be dismissed from an exam part way through a period, bring your book(s)/resources for only that lesson. For example, for a 9:00am exam, students may need to bring their book(s) for their period 2 lesson. For a exam starting after break, students may need to bring their book(s) for their period 4 lesson.

Students will not be able to access their lockers part way through lesson time.
